CLERK'S REPORT

Parish wood

Phase 1 of the tree felling work was completed by Cedarwood Tree Services on 24 February. Cllr Booth received a complaint from a resident due to the lack of signage indicating works were in progress but on the whole, there have been positive comments from properties on the boundary of the woodland. Phase 2 will commence in 3 to 4 weeks' time. Once notified of the start date, the clerk will update the website to advise residents that works have commenced.
